Habitat ReStore now offering free electronics recycling

ST. CROIX FALLS –The Habitat ReStore on Highway 8 in St. Croix Falls will be accepting used electronics free of charge, through a new partnership with Vintage Tech Recyclers. Local residents will be able to recycle outdated and unwanted electronics at the ReStore during all regular store hours.

All personal data is guaranteed to be safely and securely destroyed, through the Habitat ReStore’s partnership with Vintage Tech Recyclers.

“Electronics recycling is a service that our community desperately needs, and we’ve been working toward a solution for this issue,” said David Sandmann, Manager of the Habitat for Humanity ReStore. “We are excited to launch this partnership with Vintage Tech Recyclers. They’ve partnered with manufacturers to fund the recycling cost for our ReStore. So we’ve found a solution through this partnership that is affordable for both our non-profit organization and for our customers.”

Karrie Gibson, Founder and President of Vintage Tech Recyclers, stated “We are very excited to partner with the ReStore in St. Croix Falls to provide responsible electronic recycling program. This will be a great solution for the residents in that area.

The items that will be accepted include computers, laptops, monitors, LCD’s, cell phones, printers, scanners, modems, CD drives, cables, keyboards, mice, TV’s, VCR’s, DVD players, camcorders, cameras, game players and joysticks; telephones, pagers, answering machines, typewriters, calculators, adding machines, fax machines, copiers, microwaves, toasters and postage meters.

The ReStore is located at 2201 US Highway 8 in St. Croix Falls in the former Fleet Supply building. Store hours are 10 a.m. to 6 p.m. Wednesday through Friday and 9 a.m. to 3 p.m. on Saturday.

About the ReStore

Opened in March, the ReStore accepts donations of new or used building materials and resells them to the public at discounted rates. Proceeds are directed to Habitat for Humanity to help build affordable housing for lower income families. For more information, visit www.wildrivershabitat.org/restore.

About Wild Rivers Habitat for Humanity

Wild Rivers Habitat for Humanity, located in St. Croix Falls, is an affiliate of Habitat for Humanity International. WRHFH serves Polk and Burnett counties and has built 20 homes since 1997. Habitat raises funds and donated building materials, organizes volunteers, selects a family,

and builds a home. Habitat doesn't give anything away. The family is required to help build the home, and they buy it from Habitat with a no- or low-interest mortgage when it is complete. For more information, call 715-483-2700 or visit www.wildrivershabitat.org.

About Vintage Tech Recyclers

Based in Romeoville, IL, Vintage Tech Recyclers, Inc. is an R2/ISO 14001 and WBENC certified company. For more information about responsible electronic recycling, visit Vintage Tech's web site at www.Vintagetechrecyclers.com.
